

'Sounds of Singing' - Youth Music Initiative (YMI) June 2007

The Scottish Opera Orchestra performed two Youth Music Initiative (YMI) - funded 'Sounds of Singing' concerts, as part of its education programme, at The Bettridge Centre, Newtonhill.

Pupils from the P4-7 classes at Banchory-Devenick, Portlethen, Fishermoss and Newtonhill will attend the concerts, having learned parts for the operatic choruses from Hansel and Gretel, and Carmen.

The Arts Education Team worked with the schools' head teachers to secure this opportunity - which is a major coup for Aberdeenshire and The Bettridge Centre.
