

Classes at the Community Centre

Our Adult Learning Programme (inside this leaflet) will help you take the first steps into learning. A crèche may be available – please enquire.

Do you need some extra help?

If you are not very confident about your reading, writing, number skills, or if you can't get your head around using a computer and think you need help on a one-to-one basis, call us on 01467 620353.

Why not join a group?

If you would like to join a group of like-minded people to pursue an interest or hobby, rather than a class, please get in touch. We currently have Art, Ramblers, Scottish Country Dancing and Scrabble groups. We may also be able to help you set up a new Community group.

Can we help you?

Tell us what you wish to learn locally. We can either help directly, or point you in the right direction by providing basic information and advice.

We work alongside partner organisations in the community to provide a wider range of local adult learning opportunities.
