6.2 References shall not be taken up except for candidates selected for interview, who shall be advised that references are being taken up when they are invited for interview.

6.3 Candidates shall also be informed at the time that the application is made that the provision of the names of referees shall be deemed to be permission to contact those referees prior to interview, unless the candidate specifically requests otherwise.

6.4 References from elected members of the Council or, where an employee of the Council is an applicant for a post within the Council's service, from the Head of Department concerned with the appointment, shall not be accepted.

6.5 Canvassing, directly or indirectly, shall disqualify the candidate.

6.6 Only formal written references shall be accepted for consideration at interview, together with the original applications. The references shall be copied and circulated under confidential cover to the Committee.

7. REACHING THE DECISION - GENERAL

7.1 The Appointments Committee shall consider only those candidates who have been interviewed by them.

7.2 Before the Committee makes a decision, the views of the Chief Executive and/or Director of Personnel, as appropriate, shall be sought on the professional and technical suitability of each candidate for the post.

7.3 The Appointments Committee should consider the merits of the candidates before reaching their decision, which should if possible be by consensus, on the appointment. If the Committee considers more than one candidate and a division is necessary, voting shall be in accordance with the provisions of Standing Orders.

8. OFFER OF APPOINTMENT

- 8.1 The successful candidate shall be recalled by the Committee and the post shall be formally offered to the candidate at a declared point of the appropriate scale and, where practicable, from a declared date. The candidate shall be asked to confirm his or her acceptance on the appropriate salary and conditions.
- 8.2 The offer made shall be subject to a subsequent satisfactory medical examination and shall then be confirmed in writing.
- 8.3 Unsuccessful candidates attending for interview shall be advised immediately of the decision.

9. PROCEDURAL - GENERAL

- 9.1 In the case of a decision following formal interview by the Appointments Committee, only those members present throughout all the interviews shall be permitted to speak and subsequently to participate in any vote.

APPENDIX C

PROCEDURE FOR THE DETERMINATION OF APPEALS

1. The Committee shall consider appeals in respect of the following matters:-
 - (a) any question as to an employee's rights generally under national or relevant local agreements;
 - (b) any question as to the rights in respect of which the employee has a right of complaint to an employment tribunal, including termination of employment, and any question in respect of disciplinary action (but excluding warnings); and
 - (c) any question as to the grading of an employee's post within the pay scales contained within national or relevant local agreements.

2. Appeal hearings should only consider appeals on the following bases:-

Termination of Employment

- (a) The Council's dismissal policies and/or its procedures have not been correctly applied;
- (b) New evidence provided by the appellant, which would have had a bearing on the earlier decision, was not previously available;
- (c) The penalty imposed at the original hearing or the decision to dismiss was inappropriate.

Grading

That one of the following grounds to justify a regrading exists:-

- (a) that, for posts of similar duties and responsibilities, higher gradings are generally applied, either by the employee's authority or by other comparable authorities;
- (b) that there has been a substantial change in the duties and responsibilities of the post since it was last regraded; or
- (c) that the pay scales set out within national or relevant local agreements have been incorrectly applied to the post.

Grievance

That any other outstanding individual or collective grievance has not been resolved at the prior stages required by the Council's policy or that that policy has been incorrectly applied.

3. In coming to a decision, the Appeals Committee should consider whether the authorised officer of the Council has acted reasonably in the correct and proper exercise of the powers delegated to him or her in respect of the above matters.

The Committee should not determine an issue anew but review (as in the case of Employment Tribunals) whether the discretion bestowed on an officer to act in a given way was incorrectly applied in fact or in terms of the recognised procedure or was exercised in an unreasonable manner.
