

Review of polling districts and polling places: Ward 17

Ian Mollison to: Allan Bell

29/09/2011

Good morning

Morning

I am responding to the letter of 30 August from Colin Mackenzie regarding the above.

I would like to raise the possibility of Hillside voters going to a polling station in Portlethen rather than in Banchory Devenick. It would seem to me to be a good idea and help bind Hillside to Portlethen proper as the expanding community is no longer in rural North Kincardine but connected to the town.

However I do not know if the Jubilee Hall has the capacity to accommodate Hillside voters as well. There could also be practical considerations of which I am unaware.

I will leave this thought with you.
