Hi Allan,

There are currently 669 electors in the "Hillside area". Of the 159 houses still to be completed/ occupied, the likelihood is that 110 of these will be finished by next May - say a further 220 electors.

The proposed 115 houses planned for Marywells may not be occupied before May next year. The only other thought was the possibility of using the Fire Brigade Training Centre as a Polling Place. If you need further information just let me know.

Cheers.
