Enquiry Text

Dear Sir,

I am writing to ask you to consider changing the site of the polling station in Macduff from Macduff Primary School to the community centre attached to the school.

There is a separate entrance to the centre and it has its own carpark. It can be isolated from the main school inside too if the nursery is closed.

This would allow most of Macduff Primary to remain open on election days.

Nik James
Chair Person
Parent Council
Macduff Primary School
