 2. Joint event/presentation from Carbon Trust
 3. Investigation into local carbon "off-setting"
 4. 'Pool' of materials/presenters
 5. Consideration of North East "carbon budget"
 6. Any other projects
9. AOCB
10. Date of next meeting
11. Suggestion for next meeting: presentation from the Carbon Trust

Notes for agenda

4. Election of chair:
 1. candidates proposed and seconded;
 2. simple majority vote
 3. one vote per organisation

8. Projects for discussion:
 1. Awareness campaign: joint North East campaign in autumn (late October/November). Each organisation to run internal awareness raising events for staff. Also presentations/exhibition/talks open to all organisations and public, to raise awareness in business and community, along with practical advice sessions (eg SCARF, Envirowise, Carbon Trust) co-ordinated throughout the North East.
 2. Event with presentations and workshops from the Carbon Trust. Could be part of 1.
 3. Partnership investigation into carbon offsetting, with particular emphasis on opportunities within the North East.
 4. Pool of expertise and materials to raise awareness, eg DVDs on topics, expert speakers available for staff awareness and training in Partnership organisations and community events. (ie sharing best practice & knowledge)
