Appendix

[A] **Insurance**

If an Application for a Knife Dealer's Licence is granted then it will be a condition of the Licence that the building or other particular activity is covered by an adequate policy of Third Party Public Liability Insurance Policy with a reputable Insurance Company. During the currency of the Licence, the holder(s) will be required to exhibit to the Council, on demand, evidence that the Policy is still in force and that the premiums have been paid. The Policy and the premium receipt(s) can accompany the completed Application. Unless these items are produced to the Senior Solicitor (Licensing), no Licence can be issued.

[B] **Display of Notice**

The Notice must give the address of the land or building and state that an Application for a Knife Dealer' Licence has been made to the Council. It must also give the Applicant's full name and address. In the case of a Company, Firm, Public Body or Voluntary Organisation the names, and private addresses of the Directors, Partners, Committee Members or other person(s) responsible for management must be shown. If a person other than the applicant or if an employee or agent of the Company, Firm, Public Body or Voluntary Organisation is to carry on the day-to-day management of the Activity or Activities then that person's name and address must also be shown. A copy of this Notice must be produced once the 21-day period has elapsed. If the Notice is removed, obscured or defaced during that period the certificate must state the reasonable steps taken for its protection or, if need be, its replacement. If the Council are of the opinion that the Notice does not comply with these requirements or that reasonable steps have not been taken to protect or replace the Notice the Council may require the Applicant to display the Notice again for a further period of 21 days before making a final decision on the application.

[C] **Notice Unable to be Displayed.**

If the Applicant declares that the Notice cannot be displayed because he does not have such rights of access or other rights in respect of the land or building to enable this to be done then he must also declare and specify what reasonable steps have been taken without success to acquire those rights.

[D] **Warning**

Any person who makes a statement in this Application or in connection with it which he knows to be false or recklessly makes a statement which is false in a material particular shall be guilty of an offence and liable on summary conviction to a fine not exceeding £500.
