

# Garages

Some premises are excluded from authorising the sale of alcohol including premises or parts of a premises used as a garage. Such premises are used as a garage if there is :

- (a) sale by retail of petrol or derv(diesel),
- (b) the sale of motor vehicles, or
- (c) the maintenance of motor vehicles.

However, where those premises or parts of premises are used for the sale by retail of petrol or derv, alcohol may be authorised to be sold in some circumstances. Alcohol may be sold where the Boards determine that in relation to such premises persons resident in the locality are, or are likely to become, reliant to a significant extent on the premises as the principal source of (a) petrol or derv, or (b) groceries.

In determining an application for such premises, the Boards expect the applicant to provide sufficient information to enable the Boards to consider:

- the locality in which the premises are situated
- what other sources of (a) petrol or derv and/or (b) groceries are in that locality , and
- the extent to which persons resident in that locality are, or are likely to become, reliant on the premises as the principal source of (a) petrol/derv, or (b) groceries.

Factors the Boards may consider include:

- the number of premises selling petrol/derv or groceries in the locality
- the distance to the nearest other premises selling petrol/derv or groceries
- the opening hours of other premises selling petrol/derv or groceries in the locality
- the number and/or percentage of persons resident in the locality who are, or are likely to become, reliant on the premises, and
- to what extent, the premises are relied on as the principal source of (a) petrol/derv or (b) groceries.
