On occasions schemes may be oversubscribed with more eligible applicants than available properties. Therefore whilst you may meet the qualifying criteria this does not guarantee that you will be nominated to purchase a property.

Aberdeenshire Council are solely responsible for assessing, ranking and nominating eligible applicants and their decision is final.

2. Do I own the property outright?

You will own the property outright holding 100% interest in the title deeds but only pay a proportion of the price in accordance with your Equity Share. Aberdeenshire Council keep an equity share in the property through a standard security that is ranked after any standard security held by the mortgage provider.

Any property purchased under this scheme must be your main and only home. **Therefore if you currently own a property, this would need to be sold prior to being able to purchase a property under this scheme.**

Please note that you will not be entitled to let or sub-let any property bought under this scheme.

Should the mortgage lender want to call up their security and call in their loan they are able to do so immediately without restriction on the sale or price of the property. They will be entitled to sell the property on the open market at full open market value and recover all sums due to them with Council will rank second after the mortgage lender.

3. Finance and Legal Matters

Buying a home is one of the most important decisions you can make and it is essential that you obtain the right financial and legal advice from the start. **It is your responsibility to obtain independent financial and legal advice and secure an appropriate mortgage prior to entering into any contractual agreement with the developer.**

You will have 10 working days to confirm your acceptance of the offer and pay the non-returnable reservation fee of **£250** directly to the developer. A non-returnable deposit of **£500** will also be required to be paid direct to the developer on conclusion of missives payable within 28 days of payment of the reservation fee. The reservation fee and deposit will be deducted from the sale price of £75,000 / £90,000 / £110,000.

Reservation Fee to be paid to Developer	Deposit to be paid to Developer	Possible Mortgage Deposit Required Example for Illustrative purposes:	
£250	£500	Typically 5% of the Open Market Value of the property however may be higher depending on personal circumstances	5% of the Open Market Value of £215,000 = £10,750
Approximately 10 working days from nomination	At conclusion of missives approximately 28 days from payment of reservation fee	Around date of entry	
Example for Illustrative Purposes: Total Deposit Required in the region of: £11,500			

Please note that most mortgage providers will require a deposit in order to secure a mortgage. This deposit is in addition to the deposit paid to the developer. The mortgage deposit will vary depending on your own individual circumstances and on the mortgage lenders policy. Please ensure you discuss this with your legal and financial advisors.

Whilst Aberdeenshire Council nominate eligible applicants for this scheme, any contractual agreement is entered into with the developer directly and does not involve Aberdeenshire Council in any form of liability. The contract of sale is between the developer and the individuals buying the property. Therefore it is strongly recommended that you discuss the implications of the contract with your solicitor.

Any outstanding debts to Aberdeenshire Council e.g. Council Tax, rent arrears will require to be cleared or a payment arrangement in place prior to the house or flat purchase being finalised.

4. Are there any other costs involved in buying the property?

As with a normal house purchase, you will be responsible for all the purchasing costs such as legal fees, mortgage arrangement fees and surveys. Please note that Land & Buildings Tax may be applicable and you should discuss this with your legal advisor.

Following the purchase of the property you will be responsible for paying the Council Tax and any factoring charges applicable. You will also be solely responsible for any future repairs and maintenance of the property.

There is a factoring charge for this property which you are solely responsible for; this may include grass cutting, maintaining communal areas, maintenance of lifts and building insurance. Details will be provided directly by the developer. Factoring is expected to be in the region of £50 per month. This covers:

Plots 3 & 5: Block insurance maintenance of downpipes and rainwater fittings, cleaning and maintenance of internal communal areas, and landscaping of communal areas.

Plot 11: Block insurance, external lighting, landscaping to communal areas.

The developer will confirm the amount of factoring to be paid and what it covers and it will be your responsibility to check this directly with the developer.

5. Can I increase my stake in the property?

Size	Open Market Value	Sales Price	Owners' Equity Share Percentage Purchased	Aberdeenshire Council's Equity Share Percentage Retained	Maximum Equity Share applicant can own	Aberdeenshire Council's Revised Equity Share Percentage
Plot 5 1 bed flat	£177,500	£75,000	42.3%	57.7%	62%	38%
Plot 3 2 bed flat	£205,000	£90,000	43.9%	56.1%	64%	36%
Plot 11 2 bed terrace bungalow	£215,000	£110,000	51.2%	48.8%	71%	29%

You will have the opportunity to staircase up from the original percentage share in the property to the maximum of:

Plot 5	1 bed flat	62%
Plot 3	2 bed flat	64%
Plot 11	2 bed terrace bungalow	71%

of the open market value at the time of staircasing. This can be done at any time after a period of two years from the date of entry to the property. If you choose to increase your share, you can do so only once and it must be to the maximum percentage.

6. What happens if I want to sell the property?

The Low Cost Shared Equity Properties are being for the sale prices of **£75,000 / £90,000 / £110,000**. The difference between the open market value and the sale price is the equity share which Aberdeenshire Council retain in the property (see table). As Aberdeenshire Council have an equity share in the property there are conditions attached to any subsequent sale of the property:

- If you wish to sell or dispose of the property, you will need to advise Aberdeenshire Council in writing and provide an open market valuation of the property within 14 days of such notification. Aberdeenshire Council will then have a period of 3 months to decide whether or not they want to keep the property for affordable housing. The property will then be advertised at the open market value at that time, with the sales price reflecting the equity share that Aberdeenshire Council hold as they will continue to hold their equity share. The future qualifying purchaser will buy your equity share.
- Aberdeenshire Council have 20 weeks to nominate a suitable eligible applicant who will be required to conclude missives within the 20 week time frame. See above table for details of percentages.
- If a suitable eligible applicant being unable to conclude missives within the 20 week timeframe, the Council or a Registered Social Landlord may have the right to purchase your share of the property. This would be subject to funding availability.
- If Aberdeenshire Council decide that they no longer want to keep the property for affordable housing then you can sell the property on the open market at full open market value. You will be entitled to receive an amount equivalent to your equity share with the remaining amount going to Aberdeenshire Council.

Any costs associated with the re-sale of the property i.e. legal fees, valuation surveys, a home report will be the responsibility of the current owner. Aberdeenshire Council is not liable for any of these costs.
