Supporting Learning in Aberdeenshire - Policies & Guidelines

The 'Supporting Learning in Aberdeenshire' Folder is supplemented by a range of guidelines, some of which are already available. The table below indicates which guidelines are already available. These should be kept along with this folder. Further information is given as to the details of the guidelines in process and expected timescales for availability.

Lead Officers for each of these guidelines are currently under review and further advice will be provided in due course.
