Aberdeenshire 
COUNCIL

Serving Aberdeenshire from mountain to sea – the very best of Scotland

Eligible Children

This information is applicable to children born between

1st March 2006*
and
29th February 2008

* If your child is already in a funded pre-school education placement and you wish her/him to continue in the same pre-school setting for 2010-11 please complete Sections 1 & 2 of the *Pre-School Education Application Form* and return it to your current pre-school setting. In the very exceptional circumstances where a deferral is being considered, please discuss this with the school where you intend to enrol your child for Primary 1. If in doubt seek advice from your pre-school setting.

Submission Dates

Please submit your *Pre-school Education Application Form* to your setting of first choice between

Tuesday 5th January 2010
and
Friday 15th January 2010

Required supporting documentation

Please present the following with your application form:

1. Your child's birth certificate.
2. Evidence of your home address, for example a recent (last 3 months) utility bill or bank statement.

These original documents will not be retained by the pre-school setting.

Offer of placement

Applications received by Friday 15th January 2010 will normally be offered a place for the child by 31st March 2010.

If you have not responded by Friday 23 April 2010, the offer will be withdrawn and the place re-allocated.

Applications received after the closing date of 15th January 2010 will not be entered into the Nursery Admission Management System and will not be considered until after 14th May 2010.

Please use this booklet along with the leaflet *Applying for Pre-School Education for your Child*.

Aberdeenshire pre-school settings offer the following:

- Staff who recognise that you are the biggest influence on your child's development
- Welcoming and inclusive experiences that are planned to build on the individual talents and needs of your child
- Effective learning and teaching that makes your child's learning creative, relevant, lively, active and fun
- Smooth transition experiences that support your child with the development of their social and emotional skills.

Policy for admitting children aged 3 and 4 years old

<i>Priority</i>	<i>1*</i>	Agreed deferred entry children from the local community schools network.
<i>Priority</i>	<i>2</i>	Pre-school and ante pre-school children resident in Aberdeenshire and supported by a referral from the community schools network inter-agency panel.
<i>Priority</i>	<i>3*</i>	Pre-school children (four year olds) from the local community schools network.
<i>Priority</i>	<i>4*</i>	Ante pre-school children (three year olds) from the local community schools network who have a sibling already within the nursery.
<i>Priority</i>	<i>5*</i>	Ante pre-school children (three year olds) from the local community schools network.

Priority	6*	Children whose childcare is within the local community schools network.
Priority	7*	All other eligible children residing in Aberdeenshire.
Priority	8	All children who will occupy less than five sessions weekly, or who have an intermittent sustained pattern of non-attendance unless due to ill health. (This applies to nursery schools only).
Priority	9	Children residing outwith Aberdeenshire.

* Subject to accessing full entitlement, that is all children who choose to access less than their full pre-school education entitlement of five sessions weekly, will be given a Priority 8 rating.

Accessing pre-school education in a commissioned private day nursery

Parents who require extended day care for their child (usually because they work) can access their child's pre-school education entitlement at a commissioned private day nursery. Please discuss this with the Manager of the nursery and complete the *Pre-School Education Application Form*.

How to apply for a pre-school education place

- Application forms should be obtained from and returned to the setting of your first choice.
- Please ensure you indicate 3 separate choices on your application form in order of preference. You will be disadvantaging your child if you do not state 3 choices.
- Only one application must be made for each eligible child.
- The pre-school setting will contact you to advise the outcome of your placement request.

- If your child has additional support needs, please contact headteacher/manager of your setting of first choice for more information.
- All parents must use the *Pre-School Education Application Form Session 2010-11* to apply for a pre-school education place for their child.

Deferring a child's entry into Primary 1

If your child is born between 1 January and 28 February 2006, he/she has a statutory right to a deferral, therefore you need only complete Section A of the *Deferred Entry Request Form* and submit it to the Pre-School Setting of your choice. This form can be obtained from the pre-school setting of your choice.

Only in very exceptional circumstances will children with birth dates between the 1 August 2005 and 31 December 2005 be granted a deferred place. If you wish to defer your child, you should initially discuss this with the head teacher of the school where you intend to enrol your child for Primary 1. Following this discussion, if you then wish to proceed, please submit a *Deferred Entry Request Form* together with an *Admission Form A* to this primary school. These forms are available from the primary school.

For children born between August and December 2005 and children with additional support needs you will be asked to complete a *Multi-Agency Consent Form (Children's Services)* as it is normal practice to seek information and opinions from other professionals/agencies and to share information with them concerning your child. An Inter-Agency Panel will meet to discuss your child's needs. This Panel will make a recommendation regarding your child which will then be considered by the Community Schools Network Pre-School Admissions Panel. A decision will be made at this time.

All agencies will keep information confidential in accordance with their procedures.
