Dear Madam,

I am sending you this letter to let you know that I am not very happy about Donald Trump's plans for his golf course. This is not about a golf course, it is about a housing development. Why is Donald Trump allowed to build on arable land and it is also a green belt area, no one else can get to do this. I would like to know why Max Salmon is having so much interest in this plans, he should be

taking more interest in what is  
 going on in Aberdeen, with all the  
 places being shut down. When I  
 voted for Alex Salmond for first  
 minister I thought my vote was  
 for him not for Donald Trump.  
 But I will never vote for him  
 ever again nor will I vote for  
 S.N.P. All Alex Salmond and all  
 the big rich ~~and~~ big men in  
 Aberdeen are interested in  
 Donald Trump. One thing is I  
 don't understand why is there  
 all this concern about the golf  
 course, his hotel is coming up  
 for sale in 2021 that does not  
 say very much for him and his

3

business close it. I have got one  
concern about all this, where I  
stay there is an access road to  
the beach for motor vehicles, the  
coast guards use this access to get  
out to the beach, my husband also  
uses this road to get to his salmon  
fishing station, he has used this  
road for over thirty years, now he  
can no longer use it because trumps  
men have put a padlock on the  
gate, I just hope that nothing  
serious happens on the beach because  
the coast guards will not be able  
to use this access. Why do we  
need another golf course in Aberdeen  
shire when Jack Nickelson and

Paul Laro have get there plans passed, did you know that we have 2/2 golf courses in this part of Scotland. All the big business men think this golf course is going to take a lot of money into Aberdeen when all the tourists come to this part of Scotland. but the way things are going there will not be anything in Aberdeen for them to come and see. I think it is about time that Alex Salmond took more interest in his part of the country instead of running after Donald Trump. Why is Alex Salmond getting away with holding Scottish Taster week over in Donald Trumps country, when he should

5

be in his ~~own~~ country, I think this is a disgrace for a first minister to do this. Another thing I don't understand is why he was so quick to call in his plans after Martin Lusk took them out that should have been the end of all this. Do you think that Donald Trump is going to do what the government want him to do if he gets his plans past, I don't think so. My husband ~~at~~ has had a lot of letters from people all over the world from people supporting us in our fight against Donald Trump, not one person has anything good to say about him. I could

6

send you photo copies of some of the letters which we have received from people, we have nearly 200 letters and not one of them has a good word to say about Donald Trump. The thing I don't understand is why he got Martin ~~son~~ sacked from those jobs. Why ~~is~~ is Donald Trump using the fact that his mother came from Scotland, I don't see why he should get his plans because of this, we are all Scottish and that does not help us when it comes to getting things permission so I don't see why he should get in ~~his~~ own way. I also understand

9

that they are going away to check  
for Lungel on the ~~Blairton~~ Blairton  
links, I hope that they realize that  
there is a lot of wild life there,  
I hope that they do not disturb  
all the birds that are nesting

from

P.S why doesnt Donald Lumpf  
go to Shayboy and finish the  
golf course that Neil Hayward  
started then he went bankrupt
