### Other information

- O1 What other information would you like to be considered in support of your proposal? In order to comply with the Data Protection Act 1998 please do not include any personal information

The bid site extends to almost 35ha and is roughly triangular in shape. Its base if formed by a broken line of houses in Lendrum Terrace, the north-eastern boundary is the A90 Aberdeen-Peterhead road (on the east side of which lies the former MoD property of RAF Buchan and the extensive service estate of Boddam) and the western boundary runs with open land which, nearby, contains the large electricity distribution station that serves Peterhead Power Station, a short distance due north.

The Aberdeen to Peterhead corridor (centred on the A90 road) is one of 3 strategic Growth Areas pinpointed in the Draft Aberdeen City and Shire's Plan of April 2008, as the prime focus for 75% to 80% of development by 2030. The Howe of Boddam bid site is ideally placed to play a key role in that growth strategy, for either housing or employment land provision, but especially the latter.

If there is any interest shown by the council in the possible development of this bid site then appropriate Assessments specified in Section C5 of this Proposal Form could be carried out, quite quickly.

Please return the completed form to the Policy Planning Team, Planning Policy and Environment Service , Woodhill House, Westburn Road, Aberdeen, AB16 5GB or e-mail to [ldp@aberdeenshire.gov.uk](mailto:ldp@aberdeenshire.gov.uk).
