

Aberdeenshire Local Development Plan 2008

Proposal for a site to be included in the Main Issues Report

Please use this form to provide details of the site that you would wish to have included in the Main Issues Report for consideration as a proposal for the Aberdeenshire Local Development Plan.

One of the purposes of this form is to inform a public debate on the merits of the different sites being proposed. All information submitted will therefore be made available to the public to promote a transparent and open process.

Please feel free to provide any further information you feel appropriate to support your submission. Please ensure your proposal is with us by 6 November 2008.

Name of proposer: George Taylor Date:23/3/09 Postal Address:63 King Street Peterhead AB42 1QJ

Name of landowner (if known) Postal address
<small>To comply with the data protection Act1998 this information will not be made public</small>

The site and your proposals

Under what name would you like the site to be identified? Rear of 16 Ferguson Street Fetterangus
Have you any information on the internet which promotes your aspirations for the site? If so please provide the URL :

The site name could be descriptive ("Site north of") or an address (Site at Westburn Road , Aberdeen)

Have you provided a map showing the exact boundaries of the site you would like considered?

Yes

Please provide the National Grid reference of the site

NJ98655065

What is the current use of the site?

Fallow Ground was Storage Yard for timber for old Sawmill

Has the land been built upon before (Brownfield Land)? *No*

Is there any suspicion that the land is contaminated? *No*

If yes Please provide a statement of the nature and extent of the contamination suspected *Statement*

attached

What use(s) do you propose for your site?

Housing

If you are proposing a mix of uses on your site please ensure that the area of each is noted on the site plan

Are you proposing to phase your development? *No*

If you are proposing phasing your development please provide additional details of what is anticipated to be built, and when.

If you are proposing housing on the site please provide us with details of what you think would be appropriate, both in terms of the number of dwellings, and their form (Flats, detached houses etc).

10 to 14 Detached houses

If you have a design statement or other details about what you would like to see on the site, please include it.

If you are proposing business land please provide us with details of what you would market the land for?

Businesses and offices (Use class 4)

General industrial land (Use Class 5)

Storage and distribution (Use Class 6)

Do you have a specific occupier in mind for the site?

Yes

No

Please make sure the area of land proposed for business use shown on the site plan.

If you are proposing uses other than housing or business please provide us with as much detail as possible on what you propose.

Please continue on additional sheets as required.

The wider area

Please provide a statement on the siting and design of your proposal (how will the development fit in with the wider landscape, or complement the urban design of the area?)

It would blend in with the existing housing in Fetterangus

If you have a landscape statement, a design statement or other details about what you would like to see on the site, please include it.

Statement attached

If you have prepared any frameworks or masterplans showing a possible layout for the site, please include it with this form. *Framework attached*

Have you applied principles of sustainable siting and design to your site?

No

If you have undertaken a site assessment please provide details *No*

Statement attached

The Code for Sustainable homes or WWW.index21.org.uk provides guidance on this issue

Effect on the community

Has there been any opportunity for local people to influence what you propose through local engagement?

Not Yet

If you have undertaken any community consultation please provide details of the ways in which engagement was conducted, its effectiveness and the way in which it has influenced your proposals. Please provide details of any engagement you may propose to undertake.

At least 25% of all housing is likely to be required to be affordable. If applicable, are you considering providing more or less than this? More
25%

What community benefits arise from your proposals? What would the nature of these be, and how would they be delivered?

It would provide sites to allow local and young people to continue to stay in Fetterangus. This would include our clients family

Community benefits may be material, such as community facilities, or intangible, such as affordable housing or the ability to live locally. Include elements which you anticipate may be required as developer contributions from the development (although specifics will have to be negotiated with the Council on the basis of the development proposed)

How easy is it for people using or living in the development you propose to access services? Are the following facilities within: 400m

Please tick appropriate box

Local Shops Yes
Community facilities (eg Hall) Hall

Sports facilities (eg playing fields) Playing Fields Bowling Green Playpark

Employment areas Yes
Residential areas Yes

Public Transport networks Yes
Other (Please specify) NA

If you propose to provide any of these as a component of the development itself then please answer "yes". NA=Not Applicable

Servicing the site

Have you undertaken any of the following studies to determine whether your site is capable of being developed, or what might be required by you to make it developable?

Flood Risk Assessment	NA
Traffic Impact Assessment	NA
Drainage Impact Assessment	NA
Habitat / biodiversity Assessment	
NA Other as applicable (eg noise, dust, smell Retail impact etc)	NA

Rather than full studies it may be appropriate to undertake initial assessments to identify the scale of any works that might be required, as this will impact on the deliverability of the proposal. This assessment may be no more than an exchange of letters with appropriate agencies. Information on water and sewage capacity is available online at :
http://www.scottishwater.co.uk/portal/page/portal/SWE_PGP_CONNECTIONS/SWE_CORP_CONNECTIONS/ASSET_CAPACITY_SEARCH

What are the access arrangements you propose for the site. Does your site plan clearly show where you propose to access the road network?

No

Other information

What other information would you like to be considered in support of your proposal? In order to comply with the Data Protection Act 1998 please do not include any personal information
