The Code for Sustainable homes or www.index21.org.uk provides guidance on this issue

Effect on the community

C1 Has there been any opportunity for local people to influence what you propose through local engagement? Yes
No
Not Yet

If you have undertaken any community consultation please provide details of the ways in which engagement was conducted, its effectiveness and the way in which it has influenced your proposals. Please provide details of any engagement you may propose to undertake.

C2 At least 25% of all housing is likely to be required to be affordable. If applicable, are you considering providing more or less than this? More
25% or Less

C3 What community benefits arise from your proposals? What would the nature of these be, and how would they be delivered?

It is proposed to provide a footpath access link from the A90 through the development to link up with the houses at Lendrum Terrace . The facilities will also give the opportunity for individuals to create their own self-build house yet be close to the settlement of Boddam.

Community benefits may be material, such as community facilities, or intangible, such as affordable housing or the ability to live locally. Include elements which you anticipate may be required as developer contributions from the development (although specifics will have to be negotiated with the Council on the basis of the development proposed)

C4 How easy is it for people using or living in the development you propose to access services? Are the following facilities within:

ARCH

C6 What are the access arrangements you propose for the site. Does your site plan clearly show where you propose to access the road network? Yes No

Other information

O1 What other information would you like to be considered in support of your proposal? In order to comply with the Data Protection Act 1998 please do not include any personal information

It is proposed to take access from the existing former main road which has direct access on to the trunk road via deacceleration lanes. We therefore acknowledge that although we are adding a new development onto the trunk road, a suitable access exists at present. We would wish the development to be constructed sympathetically to the surrounding environment and offer the opportunity for people to create innovative/contemporary house designs on a sloping site with beautiful views over the sea.

Please return the completed form to the Policy Planning Team, Planning Policy and Environment Service , Woodhill House, Westburn Road, Aberdeen, AB16 5GB or e-mail to ldp@aberdeenshire.gov.uk.
