The site and your proposals

S1 Under what name would you like the site to be identified? The Green, Woodhead

Have you any information on the internet which promotes your aspirations for the site? If so please provide the URL :

The site name could be descriptive ("Site north of") or an address (Site at Westburn Road , Aberdeen)

S2 Have you provided a map showing the exact boundaries of the site you would like considered?

S3 Yes No

Please provide the National Grid reference of the site

NJ 795 385

S4 What is the current use of the site? Agricultural

Has the land been built upon before (Brownfield Land)? Yes No

Is there any suspicion that the land is contaminated? Yes No

If yes Please provide a statement of the nature and extent of the contamination suspected
Statement attached

What use(s) do you propose for your site? Residential

If you are proposing a mix of uses on your site please ensure that the area of each is noted on the site plan

S6 Are you proposing to phase your development? Yes No

If you are proposing phasing your development please provide additional details of what is anticipated to be built, and when.

S7 If you are proposing housing on the site please provide us with details of what you think would be appropriate, both in terms of the number of dwellings, and their form (Flats,

detached houses etc). Design brief would vary upon the scale of the development to be approved.

If you have a design statement or other details about what you would like to see on the site, please include it.

S8 If you are proposing business land please provide us with details of what you would market the land for?

Businesses and offices (Use class 4)

General industrial land (Use Class 5)

Storage and distribution (Use Class 6)

Do you have a specific occupier in mind for the site? Yes No

Please make sure the area of land proposed for business use shown on the site plan.

S9 If you are proposing uses other than housing or business please provide us with as much detail as possible on what you propose.

Please continue on additional sheets as required.

The wider area

A1 Please provide a statement on the siting and design of your proposal (how will the development fit in with the wider landscape, or complement the urban design of the area?)

Part 1 would solely be infill of gap sites with suitably designed individual dwellings in keeping with other new builds in the locality.

Part 2 would include land in part 1 but be a larger scale development to link the 2 parts of this settlement and move the nature of the village away from its current erratic ribbon design to something with a bit of depth incorporating a landscaped village green etc.

Vehicular access would then be taken from the Northely road.

Part 3 would include land in both parts 1 and 2 but would allow total integration of the 2 parts of the existing settlement.

If you have a landscape statement, a design statement or other details about what you would like to see on the site, please include it. *Statement attached*

A2 If you have prepared any frameworks or masterplans showing a possible layout for the site, please include it with this form. *Framework attached*

A3 Have you applied principles of sustainable siting and design to your site? Yes
No

If you have undertaken a site assessment please provide details

Statement attached

The Code for Sustainable homes or www.index21.org.uk provides guidance on this issue

Effect on the community

C1 Has there been any opportunity for local people to influence what you propose through local engagement? Yes
No
Not Yet

If you have undertaken any community consultation please provide details of the ways in which engagement was conducted, its effectiveness and the way in which it has influenced your proposals. Please provide details of any engagement you may propose to undertake.

C2 At least 25% of all housing is likely to be required to be affordable. If applicable, are you considering providing more or less than this? More
25% or Less

C3 What community benefits arise from your proposals? What would the nature of these be, and how would they be delivered?

Community benefits may be material, such as community facilities, or intangible, such as affordable housing or the ability to live locally. Include elements which you anticipate may be required as developer contributions from the development (although specifics will have to be negotiated with the Council on the basis of the development proposed)

C4 How easy is it for people using or living in the development you propose to access services? Are the following facilities within:
