### Other information

- O1 What other information would you like to be considered in support of your proposal? In order to comply with the Data Protection Act 1998 please do not include any personal information

On the east side of the bid site lie the farms of North Ythside and, opposite it, South Ythsie. Both contain a mix of various types of agricultural buildings, traditional and more modern, together with two original farmhouses and several cottages once occupied by farmworkers and, on the north side of the public road, a recent housing development of a similar number again. The bid site consists of a 130m long portion of agricultural land and finishes with an existing house at its western end.

A very similar bid is being made on the opposite side of the public road. Each would accommodate 5 or 6 detached houses.
