Dear Sir

**Aberdeenshire Local Development Plan 2008
Proposed Housing Plots, Roadside of Corsindae, Midmar, Aberdeenshire**

We enclose for your attention our completed Aberdeenshire Local Plan Development Form 2008 and a copy of our drawing numbered 1206/21-LP-01 indicating the proposed bid to be included in the Local Plan outlined in red.

The bid comprises of four number plots split into two separate sections, one in-filling between the public hall and the cottage towards Midmar and the other partially into the strategic landscape on the area already designated for housing. Callan Homes at the time of the last Local Plan felt that the area given over to strategic landscaping was far in excess of what was needed for the housing proposal. Therefore the revised proposal for this Local Plan, although reducing the strategic landscape, still retains 0.445 hectares which is over an acre in public open space. Retained within the space is the bunding, trees and path network currently under consideration by the Planning department. The housing proposed will be similar to that already built with an opportunity for low cost housing between the hall and the next cottage down.

We trust the above meets your immediate requirement and should you have any queries, please do not hesitate to contact our Colin Thompson.

Please acknowledge receipt of this bid.

Yours faithfully
