### Other information

What other information would you like to be considered in support of your proposal? In order to comply with the Data Protection Act 1998 please do not include any personal information

The site proposal was included within the original zoning for Arbutnott as being suitable for around five houses (see zoning plan attached). In the 2002 plan, however, the proposed site was removed from the plan. Notwithstanding the above the inclusion of the proposed site would 'round off' the village envelope.
