Effect on the community

C1

Has there been any opportunity for local people to influence what you propose through local engagement? Yes
No
Not Yet

If you have undertaken any community consultation please provide details of the ways in which engagement was conducted, its effectiveness and the way in which it has influenced your proposals. Please provide details of any engagement you may propose to undertake.

C2 At least 25% of all housing is likely to be required to be affordable. If applicable, are you considering providing more or less than this? More
25% or Less

C3 What community benefits arise from your proposals? What would the nature of these be, and how would they be delivered?

The proposed development would be able deliver 25% affordable housing as well as developer contributions that could be used for community facilities.

The development will also increase the choice of locations within which people can live.

Community benefits may be material, such as community facilities, or intangible, such as affordable housing or the ability to live locally. Include elements which you anticipate may be required as developer contributions from the development (although specifics will have to be negotiated with the Council on the basis of the development proposed)

C4 How easy is it for people using or living in the development you propose to access services? Are the following facilities within:
