

Alford Junior Rugby Club

Our aim is to give youngsters from Alford and the surrounding areas the opportunity to play rugby locally.

We meet on Sunday mornings from 10.00am - 11.30am at the Grampian Transport Museum outdoor grassed areas during normal school term time.

The club is open to girls and boys from P4-P7.

If you are interested or would like more information about the club please contact your Active Schools Coordinator or the club secretary Norman Rae on (019755-64033)

No specialised kit is necessary however, loose fitting tops, thin waterproof jacket and appropriate footwear (boots/studded trainers) are recommended, a light snack and a water/ non fizzy juice refreshment is also advised.

Although no changing rooms are available GTM have kindly offered the use of the outdoor toilet facilities.
