

## Young leaders award

The Young Leader Award is a programme of leadership training for young people between the ages of 9 and 13 that promotes them working with younger children, teaching leadership skills through a range of games and activities. The Young Leader Award has been designed for use in a variety of different delivery settings, including primary and secondary schools, uniformed organisations and sports and community groups that are affiliated to the local authority.

Rather than breaking leadership down into its constituent parts, the Award teaches these topics through a practical, activity based, holistic approach. In this way, the Young Leaders 'learn by doing' and, by the end of the course, will not only have the confidence and ability to lead others but will also have knowledge and experience of an extensive range of games and activities.
