

Stonehaven Junior Badminton Squad

A group of youngsters from the Stonehaven Junior Badminton Squad concentrate on the task in hand at a recent coaching session. The young hopefuls attend the coaching run by Aberdeenshire Sports Development on Friday evenings at Mackie Academy. "It's great to see so many children interested in learning the sport of badminton, they are all very keen to listen and learn and hopefully follow in the footsteps of some of our already very successful children in the development and performance squads", Joan Prieur, Badminton Development Officer.
