

firstclubgolf workshop

Clubgolf is the most exciting and far-reaching junior golf development programme ever undertaken in Scotland. It is the legacy of Scotland's Ryder Cup 2009 bid and seeks to reinvigorate the junior game throughout Scotland.

It is hoped that children in your school will be taking part in the above activity in the very near future. To make it sustainable, and a success, we are approaching you as a teacher/parent/guardian to become involved. The volunteers will receive free tutoring which in turn will qualify them to be at a tutor and help assist in the delivery of this project.

The course will cover all coaching aspects, health & safety, and an opportunity to use **clubgolf** equipment.

This course is free and aimed at teachers, parent volunteers or community groups who want to enhance or develop golf with primary age children.

**Tuesday 15th April 2008
4-6pm**

@ Mintlaw Academy – Games Hall

*Whilst there will not be a crèche available, your primary age children are welcome to attend and will be called upon during the practical elements of the workshop.

If you would like to attend this workshop, please complete and return the tear off slip below to:

(this can be sent via your school)
