**Grant Aid Applications**

A total of 32 grant applications have been considered and will be recommended to the Executive Committee on Wednesday the 2<sup>nd</sup> of September, 2009.

**Grampian Coaching**

Jan Stander had requested that a form be uploaded to the website, so that any grant applications made for Level 3 and above will go directly to Grampian Coaching, with ASC dealing with Levels 1, 2 and below. Jan will be attending the Development meeting tomorrow to discuss this. Jan also requested that ASC should bring their mileage and subsistence criteria in line with Grampian Coaching, as most of the courses needed were in the locality.

**Logo**

Lynne Walsters' daughter has signed over the copyright for two designs to Aberdeenshire Council. One design has been returned to her as it is not needed. ASC are to pay the agreed £250 cost.

**Secretary Payment**

Payments to Alison and Tracy need to be made and the final amount will be discussed at the Executive meeting next Wednesday.

**Grant Application Form**

Christine has asked if the form can be updated to include the Active School network area that the applying Club is in. This was agreed by Kenny.

**Standardisation of Grant Guidelines**

There were several grant applications received, from different club teams attending the same Regional/National Competitions with the amount each club was claiming for travelling and associated costs varying dramatically. It was agreed this area needs to be looked at.
