

Foreword

Welcome to the 6th Aberdeenshire Sports Directory. This is produced by Aberdeenshire Sports Council as part of their commitment to affiliated clubs and organisations, and sport in general.

There are over 385 clubs and organisations listed in the main directory, all affiliated to Aberdeenshire Sports Council. They represent a wide range of sports which are enjoyed throughout Aberdeenshire.

The Directory includes details and contacts that will help identify opportunities for clubs and individuals not only to participate in sport but information about Grants, Facilities and other services provided by Aberdeenshire Sport Council and Aberdeenshire Council one of our key Partners.

I am sure the directory will provide an excellent guide and reference to all those with an interest in sport. Clubs contacts will be kept up to date on our website.

AWARDS FOR ALL - LOTTERY
GRANTS FOR LOCAL GROUPS

Awards for All Scotland is supported by the Scottish Arts Council, the Heritage Lottery Fund, sportscotland and the Big Lottery Fund.

We award grants of between £500 and £10,000 for people to take part in art, sport, heritage and community activities, and projects that promote education, the environment and health in the local community.

Who can apply?

You can apply if you are a not-for-profit group or you are a parish or town council, school or health body.

You must have a bank account that requires at least 2 people to sign each cheque or withdrawal.

You must use the grant within one year.

How much can you apply for?

Between £500 and £10,000 to fund a specific project or activity. Organisations can receive up to a maximum of £10,000 from Awards for All in any twelve-month period. Groups can only make one application at a time.

Awards for All will fund a wide range of projects and activities.

Awards for all funding priorities

Awards for All makes small lottery grants to local groups who want quick results from Lottery funding in their community. As we have a great deal of applicants for Awards for All, we are focussing our funding on certain groups in order to make decisions more quickly, so that funding reaches successful applicants as soon as possible.

Organisations we would like to prioritise are:

- New groups (except Arts)
- Groups with an annual income of less than £20,000
- First time applicants
- People under 25
- People over 64
- People with disabilities
- People with mental health concerns
- Minority groups
- Refugees and Asylum Seekers
- LGBT groups
- Groups working to eliminate sectarianism

Please do not be put off if your group does not fit into one of these categories - we have £13 million to distribute this year and would encourage applications from outside of our priority areas, as we will consider all applications which fit our Awards for All guidelines.

We want to ensure that Awards for All funding is distributed fairly across Scotland, so there are some areas where we would like to focus our grant making. Funding levels across the country are constantly monitored by our staff, so areas of focus may change. If you are based in one of these areas we will automatically prioritise your application.

We have one of the largest memberships in Scotland (with over 250 affiliated sports clubs/organisations/individuals in 2003/2004), however there are still many clubs throughout the area who are not currently affiliated and are therefore missing out on the many benefits which Aberdeenshire Sports Council has to offer.

ABOUT ABERDEENSHIRE SPORTS COUNCIL

Aberdeenshire Sports Council was established in 1996. It is managed by volunteers from the local sporting community who bring with them a wide range of knowledge, skills and expertise.
