

IMPORTANT NEWS PVG SCHEME IMPLEMENTATION DELAY

The implementation for the Protecting Vulnerable Groups Scheme has been delayed until February 2011.

We have been informed that we are to continue with the present system of disclosure checking until further notice.

Can we still encourage everyone to continue to prepare for the new PVG Scheme! An introductory briefing booklet is available online from http://www.disclosurescotland.co.uk/pvg/pvg_index.html or from the Sports Council website.

Please feel free to contact the Child Protection in Sports team for any advice and guidance that you may need regarding the new scheme.
