The sports centre is available for booking your child's birthday party. The most popular is the **bouncy castle**

with soft play. Or alternatively you could have any activity your child wishes such as **Football Parties**. The hall is available most weekends, some evenings and school holidays.

It is ideal for children as they have plenty space to run around and ideal for parents as we set out all the equipment for your arrival and clear it away when you are finished.

An area is set aside for food if you require to use it.
