

Turriff Swimming Pool

The swimming pool in Turriff is a family friendly facility that caters for a wide variety of users, 20m long and 9m wide the pool is 2m deep at its deepest point.

Lockers are available in the changing room(s) to leave your clothes and valuables etc. (£1 coin return).

The pool has a variety of sessions to suit a wide a range of users. Swimming lessons and some other sessions need to be pre-booked.

As a safety measure we ask that all swimmers wishing to swim at the deep end must be competent and able to pass our Deep End Challenge. This involves swimming 30m before treading water for 30 seconds, swimmers can attempt this during any public session by asking a lifeguard on duty, once completed a certificate can be issued to young swimmers if required.

The pool can be hired for parties/events and we currently have available a variety of fun activities including inflatable's, an Aqua run, large floats and rings. Please pick up a party leaflet at reception for further details and for prices.

We have a strict no photography policy at the pool and ask that spectators turn their phones off in the building. Permission can be granted to allow family and friends to take photographs, although this must be arranged and authorised with Duty Officer staff beforehand.
