Footnotes:
 1 Limiting long-term illness covers any long-term illness, health problem or disability which limits daily activities or work.
 2 Working age population is 16 to 64 inclusive for men and 16 to 59 inclusive for women.
 3 General health refers to health over the 12 months prior to Census day (29 April 2001).
 4 Provision of unpaid care: looking after, giving help or support to family members, friends, neighbours or others because of long-term physical or mental ill-health or disability or problems relating to old age.
