

Would you like to gain valuable workplace experience with Trading Standards?

If you are aged between 16 and 16 $\frac{1}{2}$ and could work with us for a day or two in the next few weeks you would gain an insight into the work of Trading Standards enforcement.

We are looking for volunteer young people to assist us with undercover test purchases of age restricted goods such as tobacco & fireworks.

Interested or want more information? Call Caroline on 01346 519876 or pop in to Consumer Protection, 10 Commerce St, Fraserburgh
