

## A GUIDE TO ESTABLISH THE CATCHMENT AREAS FOR PRIMARY AND SECONDARY SCHOOLS WITHIN ABERDEENSHIRE

This document provides a guide on how to establish which Primary or Secondary School catchment area an address is within.

Every household in Aberdeenshire has a catchment area. Any children who live within the catchment area of a school are automatically entitled to a space within the school.

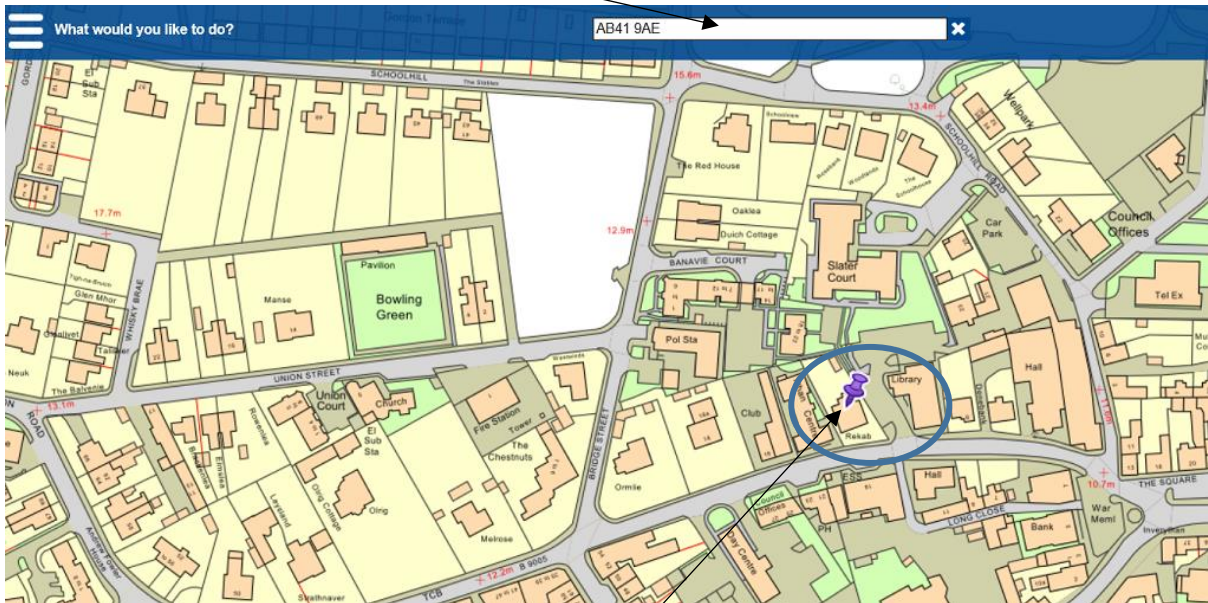

Link to school catchment areas: [School catchments - Aberdeenshire Council](#)

Click on one of the links for either primary or secondary school zones. This will open up a map (shown below) outlining the catchments areas for all Primary Schools within Aberdeenshire. This shows the outline of all catchments areas for Primary Schools within Aberdeenshire.

Within the search box type post code and select the address. This will drop a pin on the selected address.

Type Post Code here

Pin showing selected address

Click on an area near the pin and a box will appear with the name of the Primary School that the address is in the catchment area for.
