

Brighter Buchan – Greening and Growing Peterhead Micro-grants

Funding Application Form 2023

Existing or emerging community groups in Peterhead are encouraged to apply for a micro-grant of up to £200 to help them deliver their ideas for greening or growing in their neighbourhoods.

Community and neighbourhood groups in Peterhead can apply.

If you are a new or unconstituted group, or an individual looking to improve your neighbourhood, you are encouraged to work with an existing community group if you can.

Groups applying must be either **constituted** or **affiliated** to a constituted group. An email from the constituted group, e.g. a Community Council, will be enough evidence that a group is affiliated to them.

We are keen to support new groups to develop. Contact the Area Manager's Team if you need any help with this or want to discuss your options.

Applications are accepted on first come first served basis.

Decisions on applications will be made by the Buchan Area Manager
