

### 3 Declaration

The information I have given on this form is correct.

I enclose the relevant plans and associated documents (see Standards for Road Construction Consent and Adoption).

I confirm that the works outlined in the above construction consent have been constructed in accordance with the approved drawings and specification.

I confirm that all apparatus in the road that is not included in the assets to be transferred to the roads authority is in the ownership and control of either:

(i) an undertaker with a statutory right to place and maintain the apparatus concerned in the public road; or

(ii) a person with permission granted by the council as road works authority to place and maintain the apparatus concerned in the public road.

and that all owners of such apparatus are listed in section 2 of this form.

I request that the works are inspected and, if appropriate, that they are added to the Road Authority's List of Roads.
