

**Mark Anderson**

*I have lived in and around Lumphanan for over 40 years and I am keen to retain a voice within the community of Lumphanan for the people in the community.*

**Kenneth Bain**

No personal statement provided.

**Diane Bell**

*I have lived in Lumphanan for 45 years and have been actively involved in Groups/Committees for many years and would like to support my local village.*

**Fiona Culbert**

*Currently secretary at Lumphanan Community Council and have been a member on and off over the past 2 decades. I am an unpaid carer and currently the unpaid carer representative on the Aberdeenshire Health and Social Care partnership. I have particular interest in social care, human rights and rural matters.*

**Neil Milne**

*I have lived in Lumphanan for the past 18 years and we have raised our family in the village. It is a wonderful area in which to live, and I am keen to get more involved in the community to ensure we have representation on an area level to maintain and enhance the amenities and facilities within the village and vicinity.*

**Clare Smith**

*I was born and raised in Lumphanan and am currently raising my family in Lumphanan. I would be disappointed if the community were unable to maintain the community council as I feel every community should have a voice and by not forming a community council any decisions regarding our community are taken away. I have been an active member of various groups over the years, holding various office bearer positions and I am the current treasurer for the school parent council.*

**Eric Smith**

*Local resident, born and brought up in Lumphanan. I know the area and residents well. I also work on my family farm, which is situated outside Lumphanan village.*

**Lianne Starbuck-Stephen**

*I moved to Lumphanan in September, from Portlethen, and I'd seen the call for nominations, on the Lumphanan Facebook Community page.*

*I work as a Countryside Ranger within the Cairngorms National Park and my role has shown me the importance of community engagement and resilience, especially within rural areas. Including seeing the positive impact the Community Council has made in towns such as Ballater and Braemar.*

*I wish to take an active role in Lumphanan Community Council, building on the strong neighbourly rapport in the village, to help make positive changes for its residents now and in the future.*

**Michelle Vickers**

*Already a member of LCC.*
